JOSEPH DROUHIN, GIVRY

WALRAVEN•SAX

PREMIUM WINES & SPIRITS SINCE 1823

DESCRIPTION

A round and seductive wine, appreciated by all wine connoisseurs. With its lively and bright colour, it has intense fruity aromas reminiscent of gooseberry and black currant, evolving towards spicy nuances as the wine gets older. On the palate, there is a nice balance between texture and finesse, with firm but refined tannins. Long and enticing aftertaste, with flavors of very ripe fruit.

VINIFICATION

Maceration and vinification take 2 to 3 weeks under controlled temperatures. Joseph Drouhin seeks total control of the process of extraction; extraction gives colour and substance to a wine but should never be detrimental to its finesse and typical character. Type: in barrels (10% in new oak). Length: 12 to 15 months.

ADDITIONAL INFORMATION
