

## DESCRIPTION

Barefoot Chardonnay has layered aromas of ripe tree and stone fruit with hints of caramel, vanilla and wood shavings. The natural, medium sweetness is nicely balanced by fresh acidity, which gives the wine a soft, round palette.

## VINIFICATION

The grapes for Barefoot Chardonnay were harvested at optimum ripeness during cool night temperatures to preserve the fresh fruit flavours. The winemaker selected particularly aromatic yeast strains and used a moderate fermentation process, which together have improved the natural flavors and expressive mouthfeel of this wine. Clean storage after fermentation has preserved the natural bright flavors and balance in the wine.
