

BAREFOOT, PINK MOSCATO

DESCRIPTION

Aromas of tangerine and sweet jasmine create a deliciously sweet sea of pink goodness. Subtle flavours of cherry, raspberry, and pomegranate wash ashore in the flavourful experience.

VINIFICATION

The fermentation was stopped halfway allowing the sugars of the grape to remain in the wine. This ensures that the fresh flavours and fruit characters can develop in the wine. The use of cool storage in the tank retains the fresh floral and tropical aromas and flavours. These techniques and just the right amount of care and handling result in this delicious wine.
