

DESCRIPTION

Barefoot Sauvignon Blanc is bursting with fruit flavours of fresh pear and citrus. Pack a picnic basket, find a sunny spot and start enjoying!

VINIFICATION

The grapes of the Sauvignon Blanc are harvested at optimum ripeness during cool night temperatures. The wine maker selects aromatic yeast and uses a moderate fermentation process, this improves the natural aromas and expressive mouth feeling of the wine. Good storage after the fermentation helps maintaining the natural, vivid flavours and the balance in the wine.
