

DESCRIPTION

On the nose fresh notes of passionfruit and blackcurrant leaf. On the palate sweet fruit characters and fresh acidity to create an expressive and attractive Sauvignon Blanc.

VINIFICATION

Individual Sauvignon Blanc parcels were selected from the Awatere and Wairau Valley vineyards for this wine. The parcels were harvested and fermented separately, using selected yeast strains for Sauvignon Blanc to enhance varietal character. A long, cool fermentation took four weeks, after this the grapes of the different parcels were blended and stabilised, before being bottled.

ADDITIONAL INFORMATION

Grape variety: Sauvignon Blanc
Brand: Yealands
Country: New Zealand
Area: Marlborough
Color: White
Category: Wine
Flavor profile: Elegant, Fresh, Fruity
