

DESCRIPTION

This Pinot Noir has aromas of boysenberries and red fruits with notes of mocha and herbs. Juicy red fruits, balanced with gentle tannins and a gloriously subtle toasty finish.

VINIFICATION

The fruit was soaked in cold water for five days before being warmed and inoculated with selected yeasts to enhance varietal character. A fast, hot fermentation followed with regular hand plunging to craft a wine with elegance and balance. After primary fermentation was complete the parcels were gently pressed. The wine aged in a variety of barrels with a portion going to a mixture of new and older French oak barrels to complete malolactic fermentation. After nine months of aging, the wine was blended, stabilised and filtered before being bottled.

ADDITIONAL INFORMATION

Grape variety: Pinot Noir
Brand: Yealands
Country: New Zealand
Area: Marlborough
Color: Red
Category: Wine
Flavor profile: Juicy,Smooth,Soft
