

DESCRIPTION

Dark Horse Sauvignon Blanc is a refreshingly crisp wine. It offers bright aromas of grapefruit and gooseberry lined with fresh green notes. Layers of citrus and melon flavours create a bright palate with medium viscosity and a long, clean finish.

VINIFICATION

In the cellar, we used gentle techniques to preserve the bright acidity and delicate fruit flavours of the grape. Grapes are harvested at optimal ripeness during the cooler evening temperatures, to preserve the perfect balance between acidity and freshness. Fermentation occurred at low to moderate temperatures and carefully selected yeasts enhance the aromatics and expressive mouthfeel. All parties were aged in stainless steel tanks until bottling to preserve their brightness and balance.
