

DESCRIPTION

A glittering ruby red. The very fresh and fruit-forward nose reveals aromas of red berry fruit, especially raspberry and bilberry, and liquorice, mingled with spicy green peppercorn notes. The fresh attack leads into a mid-palate sustained by very gentle tannins as the red berry fruit flavours found on the nose return alongside notes of spice. Good acidity on the well-balanced finish enhances the overall impression of freshness.

VINIFICATION

All the steps in the vinification of Mapu Merlot are intended to emphasise the freshness of the fruit and reveal the wine's aromas and flavours in an elegant and well-rounded tannic structure.

AWARDS

2021 - La CAV : 91/100
