

DESCRIPTION

A bright purple colored red wine with varied aromas, red fruit and ripe cherries. Spicy notes can also be perceived, evoking complexity and very well integrated lightly roasted tones of coffee - the result of its aging process. A round wine, rich in red fruit notes, which is also slightly spicy on the palate. With firm tannins and balanced acidity, this robust red wine with a lot of character fills the mouth powerfully with ripe fruit and offers a persistent and compact finish.
