

DESCRIPTION

Albizzia is a bright straw yellow colour with subtle green reflections. Its bouquet has multiple citrus aromas that range from lime and lemon to bergamot. The citrus notes give way to the fragrance of green apple, finishing off with Mediterranean and balsamic scents. When the wine hits the tongue, it immediately dazzles with its incredibly harmonious acidic-alcoholic balance. The softness and freshness balance each other out wonderfully, giving it a rather long finish.

VINIFICATION

Maturation in stainless steel tanks during a period of 3 months.
