

DESCRIPTION

A wonderfully rich, concentrated port with an amazing flavour and texture. It has an opulent nose of black fruit which is followed through on the palette showing layers of intense berry, plum and cherry fruit flavours supported by firm, but well integrated tannins. This is a deliciously textured Reserve Port which is velvety, smooth, juicy and full.

VINIFICATION

The grapes are selected exclusively from organic vineyards, crushed, fermented and fortified to release and protect the characteristic fruit purity and freshness. The port ages in large oak vats for three to four years to soften and develop without losing their fresh, intense fruity character and their deep ruby colour.
