

# FRESCOBALDI, PATER - SANGIOVESE DI TOSCANE

## DESCRIPTION

---

Pater is a ruby-red-coloured wine. It has an extremely fruity and spicy aromatic profile. Notes of cherry, plum and wild berries marry well with spicy notes of vanilla, pepper and cloves. On the palate it returns to the fruity aromas once more, becoming gradually livelier on the finish. A well-rounded wine, perfect for simple pairings.

## VINIFICATION

---

Alcohol by volume: 12.5%. Maturation method: Matured partly in French and American oak barrels, and in steel. Length of maturation: 3 months in oak, 3 months in steel, and 2 months in the bottle.
