

DESCRIPTION

Delightfully sweet with lush fruity aromas. Hints of citrus skip across notes of delicious peach and honeysuckle. A bright, crisp finish dances in at the end.

VINIFICATION

The grapes for Barefoot Moscato were harvested at optimum ripeness during cool night temperatures to preserve the fresh fruit flavours. The winemaker selected particularly aromatic yeast strains and employed a moderate fermentation process, which together have enhanced the natural flavours and expressive mouthfeel of this wine. Proper storage after fermentation has preserved the natural bright flavours and balance in the wine.
