The Tequila Sunrise originates from Sausito, California in the early 1970's and is, as its name implies, famously known for resembling an everlasting sunrise through its vibrant cocktail colors. A disco favorite with a party reputation unlike many of its contemporary cocktails, the Tequila sunrise has always been a festive choice in times of celebration. This is the drink of choice for rock stars and party people, brunch and music lovers. The Coppa Cocktails Tequila Sunrise is a true star of both the daytime and nighttime party scene. Pour straight from the fridge into your glass of choice over ice. Garnish with a slice of orange. Sedimentation might occur, shake before use. Once opened, keep in a cool place.
