

DESCRIPTION

Amaretto is Italian for “a little bitter” - a perfect flavor description of the balance between the delicious sweetness and the bitterness of the nutty almond notes. The origin of the Amaretto, like many of its contemporary cocktails, is enigmatic. From the great Italian stories two different families appear, claiming the title of the Inventors of Amaretto. Cocktail origins aside, the Coppa Cocktails Amaretto Sour is a delightful treat for any cocktail curious person, ready to live that Italian dream of Tuscan fields and fresh picked seasonal fruit. Pour straight from the fridge into your glass of choice over ice. Garnish with a slice of orange and a maraschino cherry. Sedimentation might occur, shake before use. Once opened, keep in a cool place.
