

DESCRIPTION

Limpid and bright straw-yellow colour. Outstanding on the nose for its high intensity of tropical fruit, such as mango, papaya, over floral undertone, with subtle spicy and toasted notes that provide the wine with its complexity. An acidity on the palette that persists. Oily, smooth and elegant, with a finish that is long and persistent.

VINIFICATION

Aged on lees for approximately 6 months in 225-liter barrels of French oak. The wine is then bottle aged for at least another 6 months.
