

DESCRIPTION

This fresh, lively organic Verdejo from La Mancha has aromas of lime, lemon, and peach, with a hint of citrus blossom. Located in the sun-drenched La Mancha, this sustainable winery produces a unique organic Verdejo. With a focus on eco-friendliness, they use innovative techniques such as wastewater purification, recycling by-products, and solar panels for their energy supply. The grapes grow on plots lovingly maintained by generations of farmers. This fresh, aromatic Verdejo offers a refined tasting experience.

UNIQUE SELLING POINTS

- Organic.
- Sustainable and innovative winery.
