

DESCRIPTION

Opens with aromas of fresh damp earth, cigar box and ripe plum, framed by hints of tea leaf and toasted oak. Juicy flavours of blackberry, black cherry, black currant and tea leaf culminate in a complex finish with soft, fine-grained tannins.

VINIFICATION

A late ripening variety, Cabernet Sauvignon enjoyed ample hang time on the vines before being picked at the pinnacle of flavour maturity. The result from such a cooperative and temperate harvest is a vibrant, concentrated wine with ripe fruit flavours, generous texture and incredible depth.
