

DANZANTE, PINOT GRIGIO

DESCRIPTION

Beautiful aromas of crunchy white fruit such as apples and pears, but also grapefruit and lime. In the taste a nice ripe start of the Pinot Grigio grape, rich impressions of white fruit, passion fruit and some ripe melon.

VINIFICATION

The wine matures for a minimum of four months in the cellars of Frescobaldi after the bunches are pressed. An important period for this Danzante Pinot Grigio, because it builds up a lot of strength without losing the refined freshness. The winemakers know exactly how to hit the right chord with their Pinot Grigio, because it has many aromas and flavours, but also refined tannins and the most beautiful light acids.

UNIQUE SELLING POINTS

- Many aromas and flavors.
- Refined tannins and very beautiful light acidity.
