

JOSEPH DROUHIN, CÔTE DE BEAUNE ROUGE

DESCRIPTION

A true delight and a great harmony! A beautiful purple colour. On the nose, delicate and fruity aromas such as strawberry and redcurrant. On the palate, the tannins are refined and bring a nice roundness to the body. Elegant aftertaste.

VINIFICATION

Harvesting: by hand, and afterwards the grapes are thrown in small open crates in order to preserve the integrity of the fruit. Sorting: if necessary, the grapes are sorted twice : once when being picked, the second time on the sorting table at the winery. Pressing: very slow so as to respect fruit. Juices from the very last pressings are not retained. The wine goes directly into barrels after "débourage" (decanting of white wine to reduce sediment). Type: in barrels (20% in new oak). Length: 12 months. Origin of the wood: French oak forests (Tronçay in particular). Weathering of the wood: Joseph Drouhin insists on total control of the weathering for a period of 3 years, one of the contributing elements to the elegance of the wine. Throughout the ageing process, decisions are taken only after careful tasting evaluation. The data obtained is then completed through technical analysis. As with every other Joseph Drouhin wine, absolute priority is given to the true expression of terroir and character of the vintage.

ADDITIONAL INFORMATION

Grape variety: Pinot Noir
Brand: Joseph Drouhin
Country: France
Region: Côte de Beaune
Color: Red
Category: Wine
Flavor profile: Elegant,Fruity,Smooth
Alcohol percentage: 14.00
