MARQUÉS DE RISCAL, TEMPRANILLO Y SYRAH

DESCRIPTION

The concept which defines this wine is a production process unhindered by regulations, but based on very careful selection of the best terroirs and Tempranillo vines from gritty soils found in the alluvial lands of the Duero region. The wine has an intense, black cherry colour, with violet glints. Red berries and liquorice dominate the nose. On the palate it proves fresh and round, with a fruity finish. A pleasant, easy-todrink wine.

ADDITIONAL INFORMATION
