

DROSTDY HOF, CABERNET SAUVIGNON

DESCRIPTION

A firm yet supple Cabernet with deep notes of cassis, dried plum, and light spiciness. The structure is round and friendly, with soft tannins that integrate perfectly into the warm finish. Ideal for those who enjoy powerful wines with an accessible character.

VINIFICATION

The grapes were harvested by hand and mechanically in February and March. The fruit was finely crushed and subsequently fermented cool on the skins for two weeks in temperature-controlled stainless steel tanks at 25 to 28 °C. After completion of malolactic fermentation, the wine was aged for six months in contact with French and American oak. It was then gently filtered before bottling.

UNIQUE SELLING POINTS

- 6 months wood aging.
- Partially hand-picked.
- Complexity through combination of grapes from different vineyards.
