

LOUIS ROEDERER, COLLECTION MAGNUM

DESCRIPTION

From the start, the texture is full and generous and, in a fairly unexpected way, integrates characteristics of maturity associated with fruitier and more refreshing notes. The wine has a fresh festive finesse, and in the mouth, the wine has structure, richness and length. It is a full, complex wine that is both modern and powerful, whilst remaining a great classic.

VINIFICATION

The Champagne is composed of the base wine from the 2021 vintage, complemented by a Perpetual Reserve (established since 2012) and a selection of wood-aged reserve wines. It ages for an average of three years in the Louis Roederer cellars and for a minimum of six months in the bottle after disgorgement. A portion is aged in wood, which contributes to additional structure and complexity. This refined blend results in a Champagne of exceptional depth, tension, and complexity, in which the house signature and the quality of the vintage come together seamlessly.
