

MOUTON CADET, ROUGE BIO X PIERRE

DESCRIPTION

The wine has a ruby-red color with a garnet hue. Its aroma features notes of wild strawberries, followed by hints of red fruit and rosemary. On the palate, it offers a fresh and delicate opening, with a well-structured mid-palate and a refreshing finish.

VINIFICATION

This wine is made using a hybrid vinification process between rosé and red wines, the aim being to retain the freshness of the fruit and therefore the very fresh aromas. Mouton Cadet Rouge x Pierre is produced according to Vegan specifications.
